**TOWNSHIP OF SCHOOLCRAFT
KALAMAZOO COUNTY, MICHIGAN,**

ORDAINS:

SECTION 1

TITLE

This ordinance shall be known and may be cited as the Schoolcraft Township Vehicle Parking, Storage and Repair Ordinance.

SECTION 2

PURPOSE

The purpose of this ordinance is to prohibit or otherwise restrict upon public and private premises within the Township the outdoor storage, parking, repair or accumulation of unused, partially dismantled, unlicensed or inoperable vehicles, including trailers or other conveyances of any kind, and boats and other watercraft, or new or used parts therefrom; to provide restrictions concerning the repairing of vehicles; and to regulate the parking/storage of recreational vehicles, trailers, and boats/other watercraft in residential areas. This Ordinance is intended to avoid injury and hazards to children and others attracted to such vehicles/other conveyances/watercraft; to prevent degradation of the environment caused by such vehicles/other conveyances/watercraft; and to minimize the devaluation of property values and the psychological ill effects of the

presence of such vehicles/conveyances/watercraft and parts upon adjoining residents and property owners; and to promote public safety by preserving a reasonable sight line adjacent to public streets and private roads accessible by the public unobstructed by recreational vehicles, trailers, and boats/other watercraft.

SECTION 3

DEFINITIONS

For the purpose of enforcing the provisions of this ordinance, certain terms and words used herein shall have the following meaning:

1. It is being dismantled for the sale, salvage, repair or reclamation of parts thereof.
2. It does not have all of its main component parts properly attached.
3. Any other or additional conditions exist which cause the vehicle to be incapable of being lawfully used upon the public streets; or which, in the case of trailers or other conveyances of any kind, and boats/other watercraft, cause it to be incapable of being operated for its designed purpose.

B. "Main Component Parts" shall mean fenders, hood, wheels, radiator, motor, windows, doors, muffler, body or essential parts of the engine, and all such other parts or equipment as are necessary for the vehicle to be lawfully used upon the public streets pursuant to the Michigan Vehicle Code, being 1949 Public Act 300, as amended, or any other applicable law; and such parts and equipment as are otherwise necessary for the vehicle to be used for its designed purpose.

C. "Person" shall mean an individual, firm, corporation, or other entity of any kind.

D. "Agricultural vehicle" means a vehicle or conveyance designed and intended for agricultural use.

E. "Vehicle" means every device in, upon, or by which any person or property is or may be transported or drawn upon a roadway or waterway, except devices designed to be exclusively moved by human power or used exclusively upon stationary rails or tracks. This term therefore includes but is not limited to cars, trucks, motorcycles, agricultural vehicles, motorhomes, recreational vehicles, campers/pop-ups, snowmobiles, all-terrain vehicles, trailers, and any other similar conveyance of any kind, and also boats/other watercraft (whether or not on a trailer).

A special permit is first obtained therefor for a period of not to exceed 90 days from the Supervisor of Schoolcraft Township to be granted only in special hardship cases beyond the control of the applicant, where special or peculiar circumstances exist, where no adjoining property owner is adversely affected thereby, and where the spirit and purpose of these regulations are still observed. A special permit granted hereunder may be renewed for not more than one additional 30-day period upon a showing of due diligence and continued satisfaction of the criteria set forth above for the issuance of the initial permit.

B. Motor homes, campers/pop-ups and other types of recreational vehicles, and trailers and boats, even if licensed/registered and in fully operable condition, shall not be parked or stored any closer to any public street or any private road accessible to the public than the greater of:
